

We intend to do our prize table a little bit different this year. There have been times when during the random draw, people have had their ticket drawn for a (cap or a patch, etc.) which no longer makes them eligible for the top prizes from the prize table (like a firearm).

So here's our plan. EVERY COMPETITOR will be eligible for a prize table item from our Gold sponsors. Currently, those are firearms and Hunters HD Gold shooting glasses. Like our facebook page to see regular updates on our sponsors.

Before the match we will draw shooter's names and label the various (Silver and Bronze prize table items. Those will be available for pickup on your match day.

At the awards ceremony on Match Sunday, we will have a random draw for all the Gold sponsorship items. You do not need to be present to win a Gold sponsorship item, but you do need to be present to pickup up the other prize table items. You do need to have competed in the match to be eligible for prize table items. No-shows are ineligible.

The raffle gun will be handled as in previous years to support our designated charity, the Lowndes Blue Line Ladies and we hope you will generously support the raffle gun ticket sales.

Lee "TR" Turner
